AirRated 'Gold'

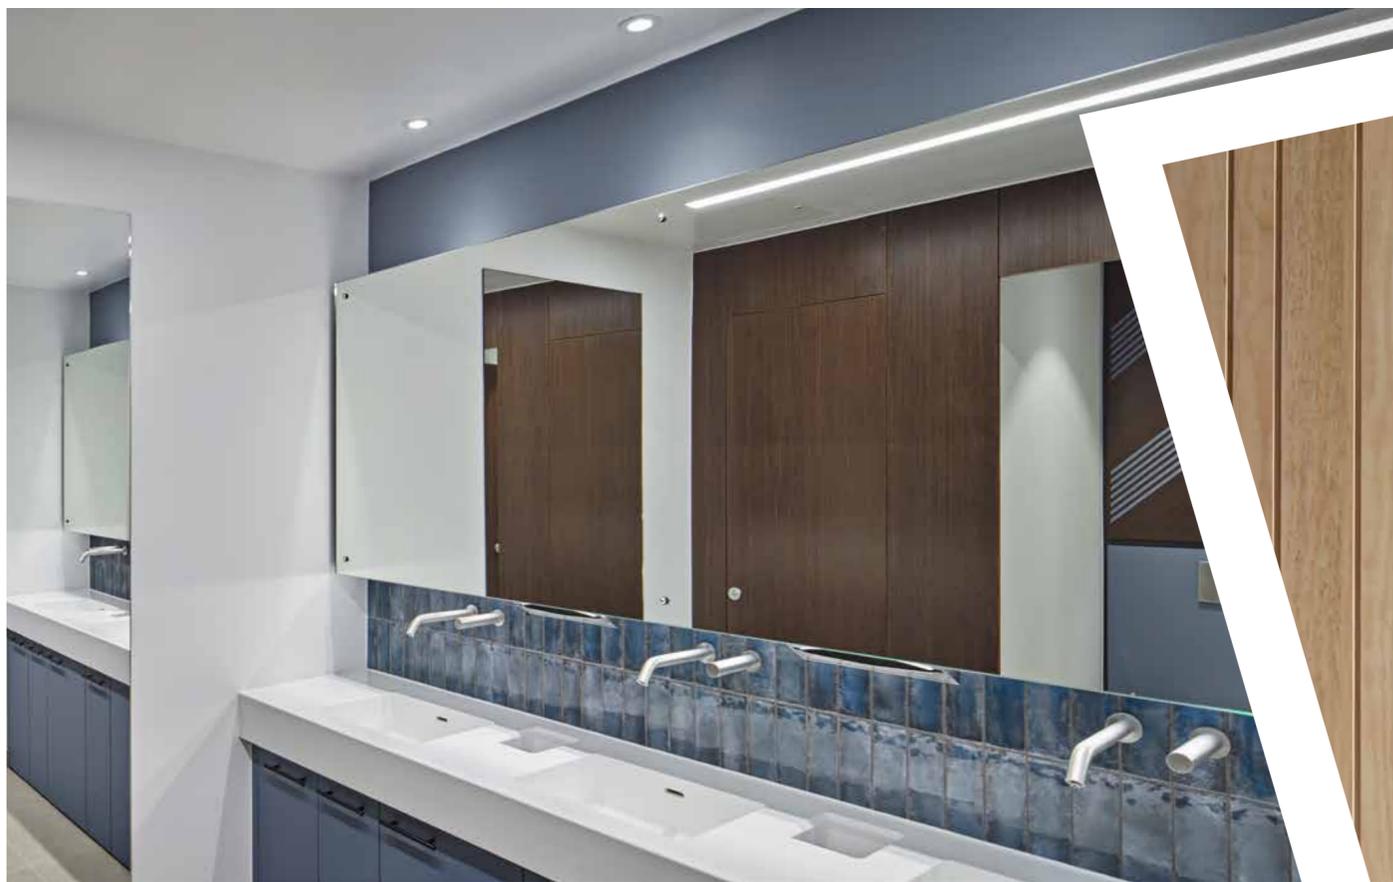

The design assessment at Vienna House was carried out in order to evaluate the measures put in place to deliver a healthy indoor environment. The building received a classification of Gold for its design.

The D&O specification for Vienna House displays an exceptional commitment to upholding healthy, safe and productive indoor environments; throughout the lifetime of the building.

- ▷ Occupiers can monitor the air quality to assess and balance the levels of Carbon Dioxide (CO2), Particulates, Organic & Inorganic Gases, Temperature and Humidity from the building.
- ▷ Improved ventilation with lower CO2 levels can boost productivity by 11%.

International Park is located in one of the UK's best commercial hubs, close to Birmingham Airport, Birmingham International Railway Station, the NEC, Resorts World and the proposed Birmingham Interchange HS2 Station.

Excellent motorway access is provided at Junction 4 M6 and Junction 6 M42, both of which are a short distance away.

1. M42 JUNCTION 6

One of UK's smart motorways, Junction 6 will be increasing its capacity in Autumn 2020.
Distance from Vienna House: 6.4 miles / 6 minute drive

2. BIRMINGHAM AIRPORT

The UK's third largest airport outside of London and the seventh largest overall.
Distance from Vienna House: 3 miles / 4 minute drive

3. BIRMINGHAM INTERNATIONAL

One of the busiest national railway stations.
Distance from Vienna House: 0.8 miles / 2 minute drive

4. NEC

The largest exhibition centre in the UK.
Distance from Vienna House: 2.5 miles / 4 minute drive

5. RESORTS WORLD BIRMINGHAM

A mixture of outlet shopping, restaurants and leisure.
Distance from Vienna House: 2.4 miles / 4 minute drive

6. HS2 SOLIHULL INTERCHANGE TERMINAL

This proposed rail terminal is expected to enable travel to London in less than 45 minutes.
Distance from Vienna House: 4 miles / 5 minute drive
